# 1980 Baylor Football Outlook

**Doak Field (46) and company close in on Tech quarterback Ron Reeves.**

It's a fact the folks that write history books will say that the 1979 Baylor football team wound up with an 8-4 record and Peach Bowl title.

But coaches and teams found out a long time ago that you can't dwell on previous glories. The same holds true for past shortcomings. The Baylor football program can take either side of that debate. Two years ago they posted an unglorious, 3-8 record yet were able to put aside all the troubles and rebound to the before mentioned 8-4 slate.

The task that now confronts head man Grant Teaff and his charges is shaking the stars from their heads and setting about the chore of putting together another good year.

Teaff and his staff, now in their ninth year together, will have a lot of familiar faces on hand when the Bears open camp for two-a-days. A total of 35 lettermen, 18 on offense and 17 on the defensive side, return. Out of that group there are seven offensive starters and five defenders with starting credentials. Add to that list the returning place kicker and punter and the Bear coaching staff has a workable nucleus to look at.

"I feel very good about the coming season," says Teaff. "However, my good feeling is somewhat tempered by actual facts and the knowledge that I have of this particular squad. We fall short in some areas that at this stage of the game are very critical."

Those areas that Teaff terms critical are the defensive line, the secondary and the offensive line. Sounds like quite a lot. And it might be just that, critical. But the '80 Bears and the 1979 congregation have some common ground. Last year's group entered camp with big holes to fill just as this team. But the difference as Teaff sees it is the fact that talent with a bit of experience was on hand. For instance defensive ends Andrew Melontree and Thomas Brown were lettermen and coaches figured they'd shine given the chance to start. They did and end was a strong point for the Bruin defense. This year's ends are as green as the new artificial turf on Baylor Stadium.

The defensive line is minus three of the four starters that opened the Peach Bowl. The lone returnee is senior tackle Joe Campbell, a good one. Conference coaches say he might be the league's most consistent tackle. Campbell will be joined by junior Tommy Tabor at the other tackle spot and he has all of the credentials (6-3, 260) to step in nicely for the departed Gary Don Johnson. Teaff and defensive coordinator Corky Nelson aren't worried about the starters. What does concern them is lack of experienced depth.

Lack of experience and depth are pivotal in the plans at defensive end as well. Three players were ahead of the other candidates following spring drills, sophomore Charles Benson and seniors Max McGeary and Ray Smith. Benson who switched from middle linebacker to end during the spring and wowed coaches, will start at one end with either McGeary or Smith opening at the other. McGeary, the kick blocking machine, has the ability to play both sides which gives a measure of lee-way to coaches. Also sophomores Travis Selph and Kent Townsend should see playing time. Selph was switched from tight end and caught the eye of coaches.

The secondary was also hit hard by graduation. Three of its starters are gone but the returning starter, Vann McElroy is a quality player with two years of experience under his belt. McElroy will be stationed at free safety with either Scott Smith or Vic Vines at strong safety and Cedric Mack and Thomas Earl Young holding down the corners. Once again, depth is the big worry.

The secondary and the line will be counting on incoming freshmen to fill the gap. Folks like defensive backs Byron Lewis and Preston Davis and tackles like Paul Mergenhagen, Gregg Bomkamp and Pat Coryatt will get a quick shot to show their talents.

"Not in the last five or six years have we faced the task of counting on freshmen this quickly," says Teaff.

One place that freshmen or for that fact just about anyone does not have a chance of breaking into a spot is at linebacker. To say that the Bears' linebackers are solid would be like saying Bo Derek is just a ten. There just aren't a better collection of linebackers in the country.

Heading up the group is consensus all-American Mike Singletary in the middle. In three years he's totaled 517 tackles and been the league's defender of the year two years running. His side kicks are just as impressive in their own rights. Strongside linebacker Doak Field is awesome. He packs 230 pounds on his 6-3 frame and has speed and strength to boot. Coaches felt he should have shared defensive player of the game laurels with Andrew Melontree in the Peach Bowl. He was in on 17 tackles, broke up three passes and had a game-saving pass interception.

The weakside linebacker is Lester Ward and he too is a three year starter, although one was spent as a defensive end. He is smaller than the other two at 6-0, 200 but has a step more speed. The three compliment one another quite well.

Where the other defensive spots are concerned about depth the linebacking corp isn't. Backups Steve Rinaldo, Geff Gandy and Greg Gibson could start for a lot of folks. Rinaldo will share a lot of time with Ward depending on the game situations and coaches plan on breaking Gandy and Gibson in for more field time. So strong is this position that Teaff was able to move Charles Benson from middle linebacker to end and gained another starter.

Offensively the Bears could be a very productive unit. Maybe even explosive if the chemistry is right.

Like their defensive brethren the offensive team does have some problems. Three starters are gone from the offensive line and two quality receivers. But, offensive coordinator John O'Hara feels that replacement talent is on hand and just needs some playing time to fill the bill.

"My big concern is maturity in the offensive line and staying healthy. The potential is there to have a better line than we did a year ago. We'll be playing a lot of young linemen," says O'Hara. "Look for early season jockeying, trying to find the right combination."

Those young players will have some quality experienced players to look to for leadership in the persons of second team all-conference offensive guard Frank Ditta, center Buzzy Nelson and tight end Raymond Cockrell.

The rest of the starters on the line will come from an impressive group of sophomores and a veteran senior. The senior is Eddy Gregory who was a part-time starter last year at guard and was switched to tackle during the spring. He's got the experience but will receive a stern push from Bobby Glass, brother of all-conference guard Billy Glass. The other tackle spot should go to sophomore Mark Adickes, a youngster with worlds of potential. The guards are Ditta and Mark Kirchner, another sophomore. Kirchner started two games last year when Glass was nursing an ankle problem. Behind Nelson at center is a real comer in Randy Grimes. Those two will handle the center chores in fine fashion.

Cockrell is regarded as one of the better athletes on the team and showed his abilities in the Peach Bowl. The big senior tight end should be an asset in the BU offense.

Throwing the football should be a pleasure for the Bruin quarterback, whoever he is, reason being the fine stable of receivers to pick out. In addition to Cockrell people like Robert "Radar" Holt, Robert Mitchell and Mike Fisher are back and all are game breaking athletes.

"It's not that we plan to throw the ball that many more times in 1980," says head boss Grant Teaff. "What we hope and plan to do is to complete more of the passes we throw to our own people. If we can manage that this year, with the athletes we have to catch the ball we could make things happen in a hurry."

If the Bears decide against throwing the ball you couldn't fault them with running backs Walter Abercrombie and Dennis Gentry around to hand off to. Abercrombie is fast becoming the most prolific runner in school history. The Waco junior, a second team all-conference choice last year, needs just 167 yards to take over the top spot in BU annals. Last year he rushed for 886 yards and scored seven touchdowns. Teaff feels his fine tailback is about ready to put in a claim for all-league and all-American honors.

Abercrombie's running mate, Dennis Gentry, can also make the big play. The speedy junior has more moves than a bowl of jello. He has the darting quickness and surprising toughness that make him a perfect compliment for Abercrombie. If the pair stay healthy they could give the Bears the best one-two punch in recent memory.

That brings us to the quarterback position and as it has seemed for the past three seasons the situation has an air of uncertainty. This time, however, Teaff and his offensive staff feel that the horses are on hand to come up with a quality quarterback. Leading the group is returning starter and the Most Valuable Player in the Peach Bowl Mike Brannan. The only catch where this sophomore is concerned comes with knee surgery he had following the bowl game. Trainer Skip Cox says he should be 100 per cent for the start of two-a-days.

He'll have to be to fight off stern challenges from David Mangrum, Jay Jeffrey and possibly recruits Alfred Anderson and Allen Rice.

**David Mangrum**

**Mike Brannan**

**Jay Jeffrey**

"I don't think we've ever had five better candidates than we do this year," said Teaff. "The thing that's really encouraging is that all five are super athletes and each, with the exception of Brannan can play more than one position. That should come in handy with our depth problems. My plan is to carry just three quarterbacks this season. We'll move the other two to other spots so they can contribute to the squad with their athletic ability. Also if its close between a freshman and upper classman I'll stay with the young player at quarterback."

Mangrum emerged as the top quarterback following the spring game although Jeffrey was rated as number one for most of the spring. Those two got plenty of snaps while Brannan worked on rehabilitation of his knee. Each has assets they bring to the spot. Brannan is a fine runner, a deceptive runner, with a good strong arm. Confidence is his strong suit. He knows he can get the job done; and the team feels the same way.

Mangrum's rifle is disguised as an arm. The 6-5, 200 pounder has all of the tools to become a super. In addition to his outstanding arm he possesses better than average speed and is tough to bring down. Coaches drool when they think about his potential. He's been out of football for two years after signing a professional baseball contract to pitch for the Kansas City Royals organization.

Jeffrey, the brother of former Baylor standout quarterback Neal Jeffrey, is just an outstanding athlete. He can run, throw and most importantly move the team. He had to sit out last year after transfering in from Missouri. Like Brannan he feels he can move the team for the score. He also has experience after playing a year at Missouri.

"I do feel positive about the quarterback situation although it's a little concerning to know that once again we don't have all that much experience. But they'll play well," adds Teaff.

In the specialty department the Bears return two stalwarts. Place kicker Robert Bledsoe comes into his senior having seen the good and the bad of life as a college kicker. As a freshman he led the team in scoring and provided critical boots in several games. The next season though he got off to a poor start and hit just one field goal for the year. However, last year he found his range once again and connected on 13 of 17 field goals winning two games with his foot. Bledsoe is the all-time kick scoring leader at Baylor and needs just 20 points to become the all-time scoring leader.

The punting duties belong to sophomore Ron Stowe who finished with a 41.1 yard average. Stowe had a particularly fine Peach Bowl game and coaches feel he'll get nothing but better.

Teaff will have to find a replacement for punt return specialist Howard Fields who finished his career with over eight yards per return. Top candidates will come from cornerbacks Cedric Mack or Thomas Earl Young.

How does Teaff see the 1980 Bears?

"Right now I feel very good about the coming season," says Teaff. "My good feeling is somewhat tempered by actual facts and the knowledge that I have of this particular squad. We fall short in some areas that at this stage of the game are very critical. We're not a very good defensive team at this point but have the potential and some very outstanding leadership. We just have to have some help from young players in a hurry. Offensively we have a chance to be pretty good. I like the possibility for some explosiveness. It will take us a few games to come together but I like the potential.

"But potential is one thing and the reality of the type of competition we play is another. Right now we're not the type of team we want and need to be. That scares you. But, again, that's the fun of coaching, bringing together the chemistry that creates a good product. If this team will improve each week, like the team in '79 did, we could by mid season be a pretty good football team."

Time will tell.

# Teaff's Crystal Ball

**WHAT IS YOUR OVERALL VIEW COMING INTO THE FALL**

"After experiencing one of the most positive spring practices that we've had since I've been at Baylor, I feel very good about the coming season. My good feeling is somewhat tempered by actual facts and the knowledge that I have of this particular squad. We fall short in some areas that at this stage of the game are very critical. Right now our defense is not very strong. I would say that there is a lot of comparison to last year's teams and this year's at the same time. Let's say we have less experience than we had a year ago. I like our starters and their potential. But I'm concerned about the depth. We do have enough players that are good and will act as a catalysis. This defense could come on and be solid.

"Offensively I have two major concerns, the offensive line and quarterback. But, I feel very positive about both. We are young in the line but have some good talent. I also feel positive about the quarterback situation although its a little concerning to you to know that once again we don't have all that much experience. Mike Brannan is a question mark at this time because of his surgery. But he is a proven quarterback and the two who went through spring ball (David Mangrum and Jay Jeffrey) are going to be players for this team.

It's a little scarey to think about the people we have to play with all of these young folks. But, that's the fun of coaching and bringing together the chemistry that creates a good product. If this team will improve each week like the team did in '79, you know, by the time we hit mid season it could be a pretty good football team."

**WHAT WILL IT TAKE FOR BAYLOR TO HAVE A SUCCESSFUL SEASON?**

"Well, you'll have to have about seven or eight victories and go to a bowl game. It's just about that simple. But to look at things seriously, number one, the defense has to improve; the offense is going to have to be productive from the outset and the kicking game is going to have to equal or beat last year's. Those are all pretty high in the ultimate goals."

**WHAT DO YOU THINK ABOUT THE BAYLOR SCHEDULE IN '80?**

"What really concerns me is that folks will really look at our early season schedule with Lamar University and West Texas State and say, 'Boy, that's a snap.' " But I'll tell you flat out that it's not a snap. We'll have to play the best football game of the season to beat Lamar in Beaumont. We'll be working toward that end. Under Bill Yung West Texas is no snap game. They've won two out of three Missouri Valley titles under him and feel they are at the apex of their recruiting and building. Then we get to open the conference season with Texas Tech and we've only beaten them once since I've been coaching and never in Lubbock. Following is the rest of the conference and I won't go into detail but let it suffice to say we play in the nation's toughest league. But we look forward to the challenge of it and to the opportunities of it."

**WHAT ABOUT THE SOUTHWEST CONFERENCE RACE?**

"Realistically there has to be probably four teams in top contention, with a fifth that should be counted in that area. I would say Arkansas, Houston, Texas, Texas A&M and possibly SMU for the teams. You can give them any order you want. They all have the potential to be in the Cotton Bowl, Janaury 1."

**WHAT IS THE STRENGTH OF THE OFFENSIVE UNIT?**

"The strength, although we're not blessed with a great amount of depth, I think is in the split receivers and backs. You take Radar Holt, Mike Fisher and Robert Mitchell, all three fine receivers that can play for a lot of people. Our backs, Walter Abercrombie and Dennis Gentry are both exceptional. Abercrombie has a chance to be one of the best we've ever had. I like the players behind them, Fred Hall, Phillip Ward and Ken Matthews. Let our young offensive line gain some maturity and the quarterback spot comes through like I feel it can, and this can be a pretty productive offense."

**WHAT IS THE STRENGTH OF THE DEFENSIVE UNIT?**

"This will sound like a broken record, but definitely our strength comes from our outstanding linebackers. They are the best in the league and I can honestly say in the nation. Mike Singletary is a consensus all-American, period. Doak Field should be considered an all-conference performer, I do. They can't carry the entire load on defense, but they will give a tremendous amount of leadership. I like the play of tackle Joe Campbell and free safety Vann McElroy. They are proven starters who can help with their leadership."

Although edged in the final statistics, coach Bob Woodruff's Baylor Bears won the first bowl appearance in the school's history in defeating Wake Forest 20-7 in the second annual Dixie Bowl.

Wake Forest, although gaining 277 total yards compared to Baylor's 212, fell behind 20-0 at halftime to the upstart Bears and could never seriously threaten the 6-3-2 Bruins.

Bear defender George Sims recorded the first turnover in the game when he intercepted a Deacon pass in their first possession and returned the pass 52 yards to the Wake Forest eight yardline.

Sammie Pierce, who averaged 10.1 yards a carry against the Deacons, scored the first touchdown from a yard out and Jerry Mangrum scored from the same distance in the second quarter to give Baylor a 13-0 lead.

The Bears increased the margin to 20-0 off a 68-yard drive, highlighted by a Pierce 40-yard romp. Quarterback Ray Painter passed the final 12 yards to Harold Riley for the score. Hank Dickerson added his second PAT for the day.

All-America quarterback Adrian Burk completed five passes for 69 yards.

Pepper Rodgers kicked a 13-yard field goal with three minutes remaining to give Georgia Tech a 17-14 come-from-behind victory over Baylor in Miami's Orange Bowl contest.

Tech scored 10 fourth-quarter points, on Rodger's effort and a Buck Martin touchdown reception, while holding Baylor scoreless to nip the 8-1-1 Bears.

Baylor scored first when All-America quarterback Larry Isbell reached paydirt from one-yard out. After Georgia Tech knotted the score at 7, the Bears drove 63 yards, capped by Jerry Coody's four-yard touchdown blast, to take a 14-7 margin.

But, coach Bobby Dodd's Tech squad used Rodgers and Martin's last-quarter heroics to defeat the Bears.

The Orange Bowl loss was Baylor's second of the 1951 season, the first coming at the hands of TCU, 20-7. Many experts considered coach George Sauer's unit to be among Baylor's best ever, with All-Americans Isbell, Stanley Williams, Ken Casner, Mickey Sullivan, and Bill Athey all exploiting their talents along with Cotton Davidson, Coody and Jack Sisco.

Thirteenth-ranked Auburn scored five of the first six times they touched the football on their way to a 33-13 thrashing of Baylor at the 1955 Gator Bowl.

The Tigers, who established three Gator Bowl records and tied another in the rout of the Bears, outgained Baylor 476 to 239 in total yardage.

Coach George Sauer's Bears fumbled the opening kickoff and the Tigers quickly tallied with fullback Joe Childress going seven yards for the score. Auburn, with only three minutes gone, led 7-0.

Baylor tied the game by driving 63 yards in nine plays with Reuben Saage getting the touchdown on a one-yard plunge. Charley Smith added the PAT for Baylor.

But before Baylor scored again, Auburn led 27-7.

All-America halfback L. G. Dupre sprinted 38-yards for the final Bear touchdown but it was too little, too late for the Bears who finished 7-4 for the season.

Superior Auburn line play riddled the Bears all afternoon, as coach Shug Jordon's team boasted touchdown drives of 27, 74, 92, 66 and 67 yards.

Reuben Saage recovered Tennessee All-America halfback Johnny Major's fumble and Baylor then drove 15 yards for the winning touchdown in the Bears' 13-7 upset win over the undefeated Volunteers in the 23rd annual Sugar Bowl.

Bear quarterback Buddy Humphrey scored the winning touchdown on a one-yard sneak and Don Berry added the conversion for the 9-2 Bears of coach Sam Boyd.

Baylor scored first, despite being a one-touchdown underdog, when quarterback Bobby Jones threw a 12-yard scoring strike to Jerry Marcontel.

But Majors gave the Volunteers the lead in the third quarter by reaching paydirt from a yard out.

Baylor halfback Del Shofner, running behind an offensive line headed by All-America Bill Glass, finished with 88 yards rushing in 14 carries and also intercepted one Volunteer aerial. For his play, Shofner was voted the game's outstanding player.

Florida defender Larry Travis recovered a Ronnie Stanley fumble in the endzone in second quarter play of the Gators' 13-12 verdict over Baylor in the 1960 Gator Bowl.

Behind 13-0 in the fourth quarter, the Bears, who finished 8-3, put forth a furious surge that led to 12 points.

Halfback Ronnie Bull scored the initial Baylor touchdown with a three-yard plunge and later, Ronnie Goodwin was on the receiving end of a 11-yard scoring pass from quarterback Bobby Ply.

But a Ply to Goodwin conversion pass attempt fell astray and the Gators had their ninth win of the season against two setbacks.

Coach John Bridgers' pass-oriented Bears threw for 211 yards and Ply established a new Gator Bowl record with 13 completions and teammed with Goodwin for five new marks.

Florida traveled 20 yards for their two scores while Baylor went 139 steps for the same results.

Eight Utah State turnovers and outstanding performances by halfback Ronnie Bull and sophomore quarterback Don Trull led Baylor to a 24-9 victory over Utah State in the inaugural Gotham Bowl at the Polo Grounds.

Baylor recovered their first of five Utah fumbles and went 45 yards to score the first time they had the ball. Bull, who had 86 total yards for Baylor and was voted the game's Most Valuable Player, scooted 15 yards for the initial Bear touchdown.

In the second quarter, Carl Choate kicked a 22-yard field goal for Baylor and Trull added the third Bear score on a quarterback sneak of two yards. Trull, who passed for 116 yards against the nation's number two defensive unit, connected with Ted Plumb for a 38-yard touchdown pass to end Baylor's scoring.

Utah State, who entered the game with a 9-0-1 mark and share of the Skyline Conference championship, was favored to beat the John Bridgers-led Bears, who finished with a 5-5 regular season slate.

Coached by John Ralston and led by All-America tackel Merlin Olsen, Utah State was ranked 10th in the nation going against battle with the Bears.

Quarterback Tom Shuman established Cotton Bowl records in passing and total offense and flanker Jimmy Cefalo did likewise in receiving yards in Penn State's 41-20 decision over Baylor in the 1975 classic.

For the fifth time of their 10-victory 1974 season, Penn State came from behind to win. The victory spoiled Baylor's first appearance in the Dallas event, coming on the heels of the school's first Southwest Conference championship since 1924.

Baylor captured a 7-0 first quarter lead with Steve Beaird's four-yard blast. A Matt Bahr 25-yard field goal closed the Bears' lead to 7-3 at halftime.

After the Nittany Lions took their first lead, all-conference quarterback Neal Jeffrey put Baylor ahead 14-10 with a 35-yard scoring toss to Ricky Thompson.

Three touchdowns, two by Cefalo and one by Shuman, and another Bahr field goal gave Penn State a 34-14 lead with 3:32 remaining. But the Bears refused to fold and with 19 seconds left, reserve quarterback Mark Jackson teammed with Thompson for a 11-yard touchdown.

On the ensuing kickoff, Baylor kicker Bubba Hicks tried an onside kick only to watch Lion Joe Jackson scoop-up the loose pigskin and race 50 yards for another Penn State score with two seconds left.

Baylor junior safety Ken Quesenberry, who had 12 tackles and one interception, was named the game's Most Outstanding Defensive Player.

Quarterback Mike Brannan and Mickey Elam passed for 86 yards each to lead Baylor to a 24-18 upset win over the 17th-ranked Clemson Tigers in Atlanta's Fulton County Stadium.

The win vaulted coach Grant Teaff's Bears into 14th place on the Associated Press' final college football poll.

With the Tigers leading 7-0, Brannan teammed with Bo Taylor for a three-yard touchdown toss to knot the score. The tally came eight plays after Baylor recorded their first of two blocked punts against Clemson kicker David Sims.

The Bears forged ahead 14-7 when Brannan, voted the game's Most Valuable Offensive Player, connected with Robert Holt for a 24-yard scoring strike.

Baylor's final 10 points resulted from a Robert Bledsoe 29-yard field goal and a touchdown pass from Elam to Raymond Cockrell that covered seven yards.

Senior defensive end Andrew Melontree, voted the game's Most Valuable Defensive Player, and linebackers Doak Field and Mike Singletary led a Baylor defense that held a 8-3 Clemson offensive unit to 6 yards rushing.

Baylor finished the season with a 8-4 mark.

# Bear Story

Once upon a time, in the late 1920s, there was a bear. The bear was a friendly sort of fellow, but he was also very mischievous and a big eater. So the traveling circus that owned the bear decided it didn't want him anymore and they abandoned the creature on the steps of an old corner drug store as they left town.

The bear was not without friends for long though. A young Baylor student, Bill Boyd, claimed the animal and worked out a deal with the university's President Pat Neff to take care of the bear and feed him as the school's official mascot in exchange for free tuition. This first mascot, Joe College, began a tradition of live bears at Baylor that has endured ever after.

Judge Robert, or Robbie for short, is the current Bear mascot. He arrived last April from an animal exchange in the Dakotas to replace the growing Daisy Mae and Abner, the mascots during the last couple of years.

Every two years the university gets a new bear because they get too big and hard to control. Judge, the mascot that went with Baylor to the Cotton Bowl in '74, still lives on the campus, however, because of his gentle and tame nature. Most of the mascots are North American black bears, a species that seems to adapt to people better.

All the bears are kept at the Hudson Memorial Bear Plaza built three years ago near the Baylor Student Union. They are sponsored by the Baylor Chamber of Commerce, a service fraternity on campus and are tended by Don Tapscott, a senior out of Port Arthur.

# Baylor Stadium History

This fall marks the 30th anniversary of the Baylor Stadium. Completed in the summer of 1950, continued renovations and improvements over the years have produced a facility that now ranks among the top in the conference.

Prior to 1950 the Bears played all their home games at the Municipal Stadium on Dutton Street, a small stadium that could only seat 14,000 or 20,000 if end zone bleachers were set up. But a handful of Baylor supporters decided it was time Bear teams had a home of their own and formed the Baylor Stadium Corporation to achieve just that.

The Corporation launched a bond sales program and was able to raise the $1,500,000 needed to build the new stadium. The last of the bonds issued were retired last March. The Baylor Stadium Corporation, made up of 29 businessmen from across the state, continues to serve as an advisory board and helps to manage the stadium facilities.

Many improvements and additions have been made throughout the years. Up until 1972 the Bears played on a grass field. But with the acquisition of a new coach, the current head coach Grant Teaff, also came Baylor's first Astroturf surface. This fall the Bears compete on a brand new Astroturf field laid down in the spring.

During the '70s the beautiful and comfortable Bear Club and Lettermen's Lounges were built on the west side of the stadium. An upstairs locker room, extra meeting rooms and a new weight room were also added. An eight year project to replace the stadium's wooden seats with aluminum ones has just been completed and the press box improved. Athletic office space is continuously being expanded and renovated.

The first game played in the 48,500-capacity stadium was a 34-7 victory over the University of Houston Cougars, then an independent team. The first conference game was a 27-20 loss to Texas A&M. The biggest crowd ever in the stadium was at the '74 matchup with the Aggies when 51,200 fans stood in the aisles and sat near the end zones to watch A&M beat Baylor 20-0. Each of the sellouts in the stadium, all during the last five years, were for games with either A&M or the University of Texas.

# Baylor Head Coach Grant Teaff

Last December when Baylor head coach Grant Teaff led the Bears to the 24-18 victory over Clemson in the Peach Bowl another notch was carved out in the slate of the 46-year old mentor.

The victory culminated a season that saw the Bears go from pre-season seventh place picks to an 8-4 record and 14th place in the final national rankings.

That thrilling year just seems to go along with the Grant Teaff style of coaching and bucking the odds. Rather than accept the seventh place the Bears fought to a fourth place finish and of the four defeats, all were to top ten ranked clubs.

The eight victories elevated Teaff's Baylor record to 41-46-3 in eight seasons. Teaff, the dean of Southwest Conference coaches, is listed third on the coaches all-time victory list at Baylor. Overall, in 17 years as a head coach, his record is 83-92-5.

Teaff's goal "to do the best at anything he undertakes" certainly rubs-off to his coaching staff and players. Three of his former assistants at BU are now head coaches in the college ranks, Bill Yung at West Texas State; Ron Harms at Texas A&I (last year's coach of the year) and Dal Shealey at Richmond.

Greg Hawthorne, a 1978 Baylor grad, was the first round pick of the World Champion Pittsburgh Steelers and Mike Singletary, the leading tackler on the '78 and '79 teams is a consensus all-America selection at linebacker. Singletary became the seventh BU player to make either first or second team all-American after playing for Teaff. The others were Gary Green (1976), Gary Don Johnson (76), Mike Hughes (75), Aubrey Schultz (74), Derrel Luce (74) and Roger Goree (72).

Teaff was an outstanding athlete at Snyder in western Texas, played two years of junior college ball at San Angelo College and was later an all-Texas conference linebacker selection at McMurry College in Abilene.

Grant began his coaching career at his alma mater as the nation's youngest head coach. Taking over a team that had been at the bottom of the small college ranks, he posted three strong seasons at McMurry before the school dropped scholarships.

Instead of pulling out, Teaff felt an obligation to the players he recruited, and stayed three more seasons until he was able to get grant-in-aid restored.

In 1966, Teaff was hired as assistant coach and recruiting coordinator at Texas Tech University. A special skill to recruit well developed at Tech, where he signed many of the fine players who represented the Red Raiders in bowl appearances.

Teaff's next move was to the head coaching position at Angelo State where in three years he led his team to a 19-11 mark, including a 7-3 record in 1971 which was the best in history.

Grant, who faced uphill battles throughout his coaching career, in 1972 accepted a big challenge when he took over the reins at Baylor.

Baylor had recorded a combined, 3-28 three-year mark in the years prior to his arrival. But, BU football was soon back in the national limelight, when in 1974 the Bears won the Southwest Conference championship and a Cotton Bowl trip to Dallas. Due to the Bears winning their first

league mark in 50 years, Teaff was voted the National and Southwest Conference Coach of the Year. He was also SWC Coach of the Year his first season, 1972.

This past season he was again tabbed as SWC Coach of the Year, an honor he shared with Arkansas' Lou Holtz.

Teaff is one of the country's most sought-after speakers, traveling from coast to coast. He's active in the Fellowship of Christian Athletes, having been elected as a national trustee several years ago. However, with his years of coaching experience, he is just as at home talking to fellow coaches about the X's and O's of their profession.

The Texas Baptist Convention made history in 1975 by electing Teaff as a vice president, one of the few times a layman has been so honored.

Grant and his wife Donell, a former Texas Tech cheerleader, have three daughters, Tammy 22, Tracy 19 and Layne 14.

# The Administrators . . .

## Jack Patterson
### Athletic Director

Serving as Baylor's athletic director is one of the most respected coaches and administrators in the Southwest conference, Jack Patterson.

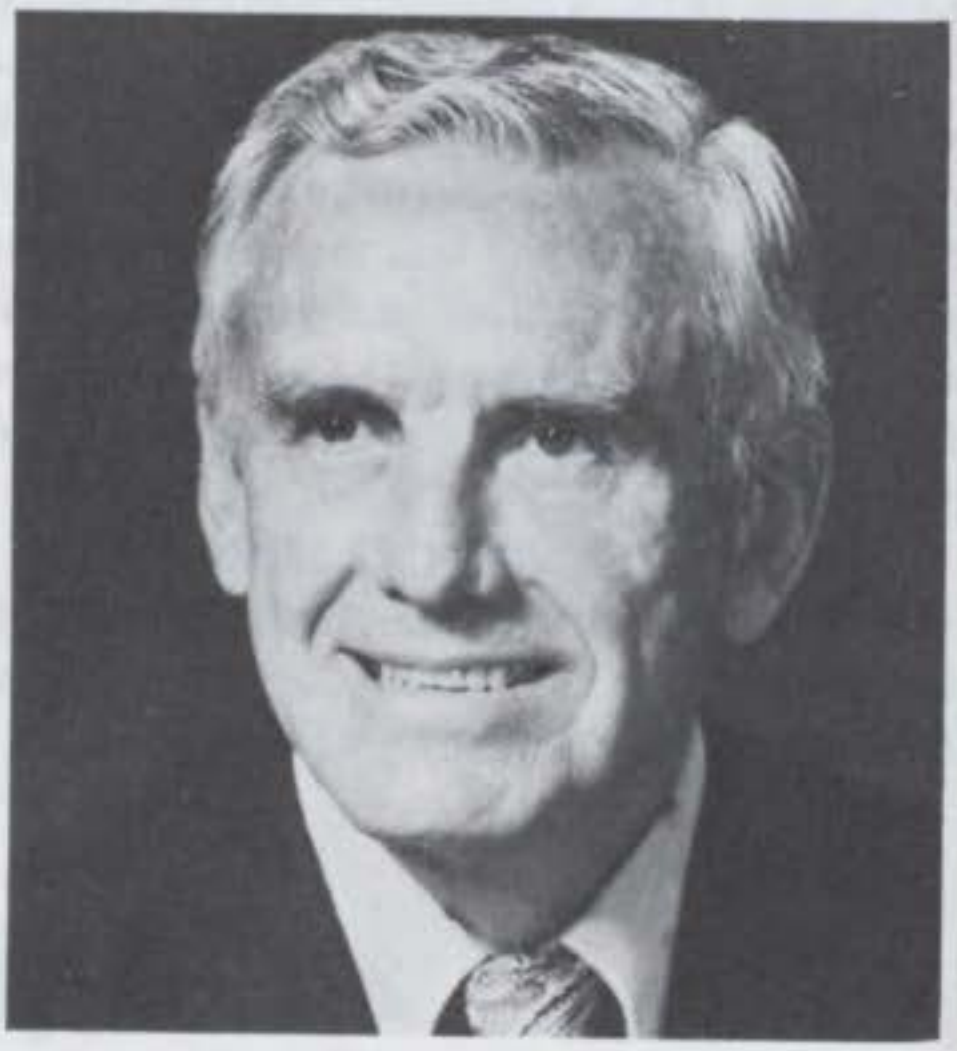
Patterson became head man at Baylor in 1971, replacing the legendary R. E. "Mr. Bill" Henderson. He has proceeded to build the university's athletic department into one of the finest in the league.

New, improved office facilities, athletic dining and dormitory additions, new Astroturf playing surfaces at Baylor Stadium and a new Chevron 440 track are just a few of the Merkel, Tex., native's administrative achievements.

After graduating in 1939 from Rice University, Patterson went home to Merkel to coach. He moved to San Angelo for three years, during which the school won the state title in football. He then returned to Merkel as coach of all sports in 1944, and after a one-year stay, advanced to the University of Houston.

Coach Patterson stayed at Houston 11 years as head track coach and football assistant. His spring relay teams won national acclaim, and in 1956, he was drafted to be Baylor's head track coach.

Patterson coached the Bears for seven years and led them to three Southwest Conference championships. The University of Texas in Austin called him to serve as assistant athletic director and head track coach in 1963, and he then won three more conference crowns for the



Longhorns before returning to Baylor as AD.

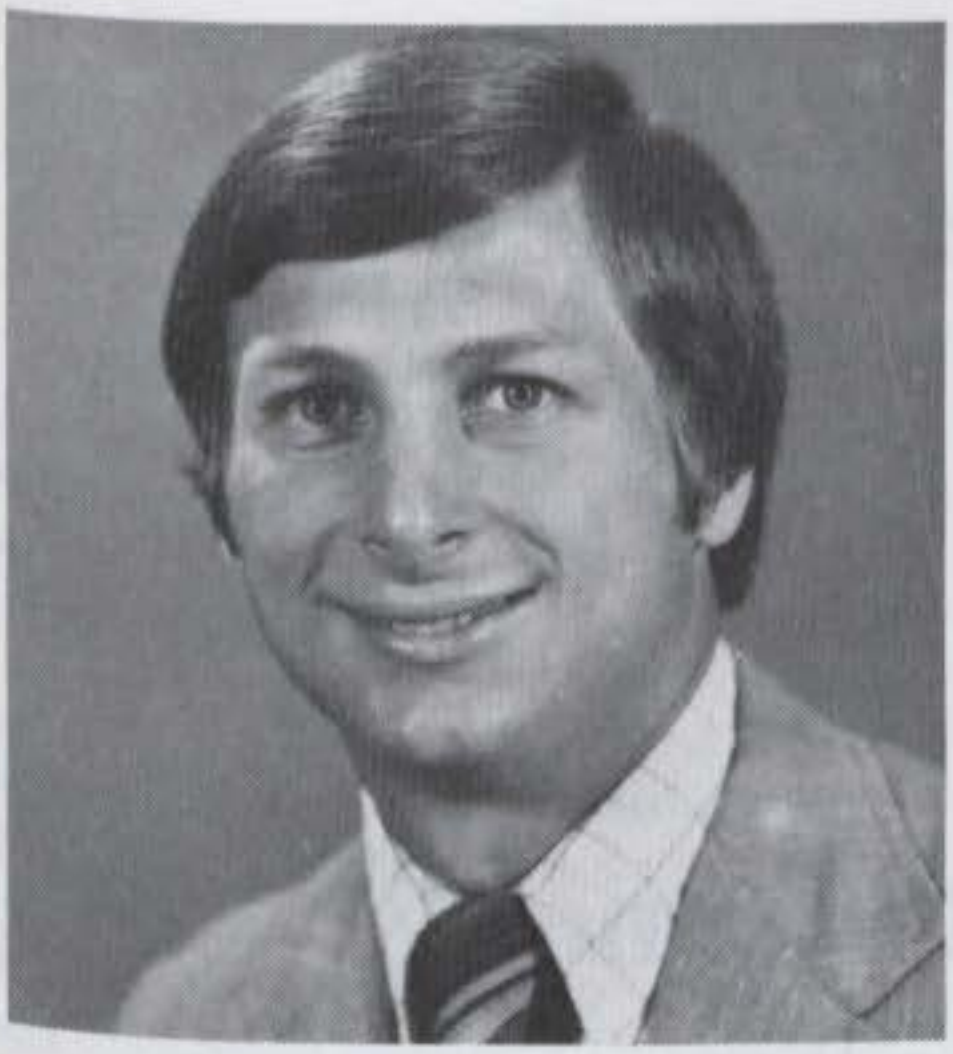
"I don't think I'll ever get completely away from the field," says the hard-working Patterson. "But my goal is to build the finest athletic department in the Southwest. I want people who feel like I do in our program. We have goals that we have set in a long-range program. We like to see improvement each year. And, I might add, we have done so."

Patterson and his wife, the former Lois Whiteley, have two children: Mrs. David Sibley of Waco and Dr. Jack C. Patterson, a teacher at the Univeristy of Texas Dental School in San Antonio.

## David Taylor
### Assistant Athletic Director

A dependable and responsible assistant athletic director is essential to the workings of a successful athletic program. Athletic Director Jack Patterson's right hand man is the well-qualified David Taylor.

A 1972 Baylor graduate, Taylor worked



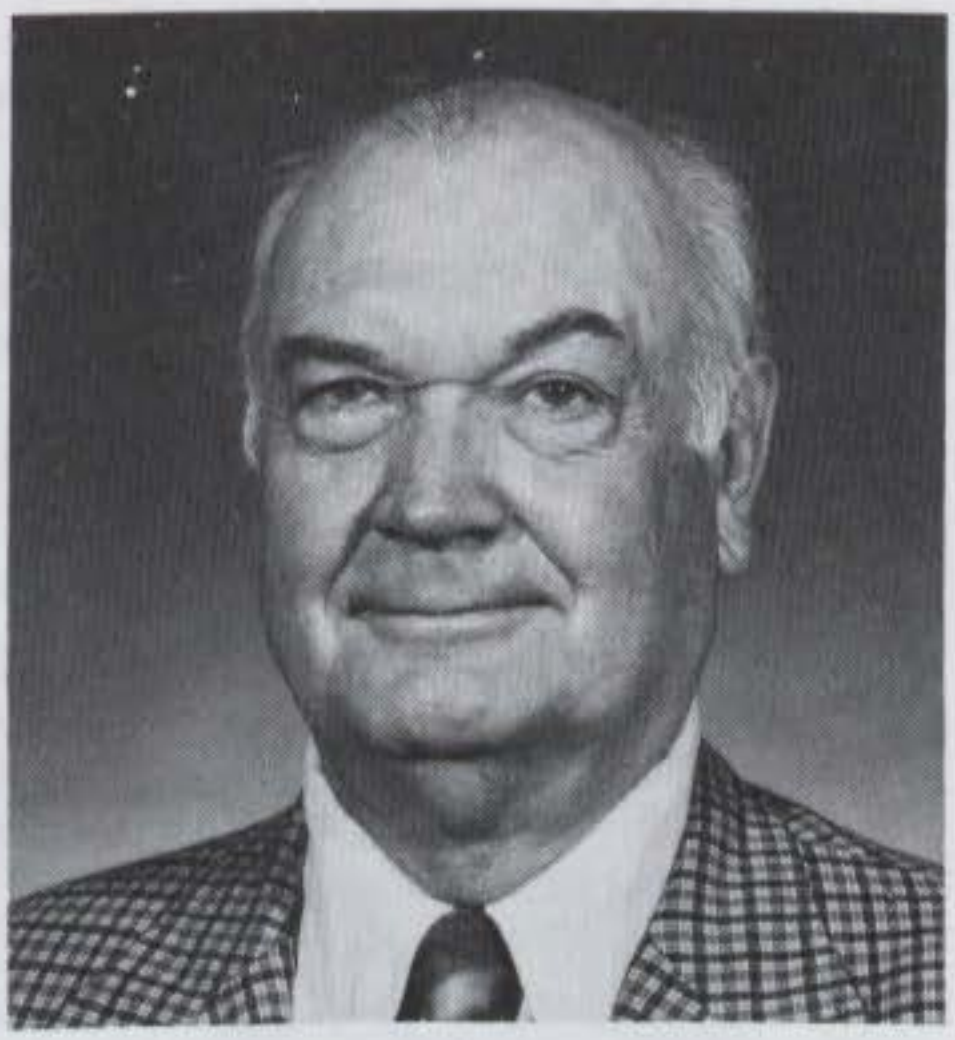
part-time in the athletic department while a student. After graduation, he served as Patterson's administrative assistant until May of 1974. Taylor received his Certified Public Accountant certificate then and went into private business.

In 1975, the position of assistant athletic director was created, and Taylor returned to Baylor.

"I'm lucky to have someone of David's ability assisting me," says Patterson. "With David's help, we have been able to progress and push Baylor along in many areas."

David is married to the former Brenda Ross of Waco. They have two daughters: Mary Katherine, 3 and Kristen, 1.

# Dr. Abner V. McCall
## President, Baylor University



As the president of Baylor University Abner Vernon McCall wears many hats. Not only does he preside over the largest Baptist university in the world, but he also sits on the Texas Adult Probate Commission, is the chairman of the board of directors of two scientific institutions, and teaches a men's Bible Study class at the First Baptist Church of Waco.

At 65 years of age, Baylor's president leads a more active life than many of his students. But then, he should be used to it by now.

McCall seems to have done a little bit of everything in his lifetime. A Bachelor of Arts degree and a Juris Doctorate from Baylor led to teaching law at Baylor for four years, starting in 1938. Then in 1943, he left his alma mater for a stint with the Federal Bureau of Investigation.

He returned to education in 1946, and a full professorship, dean of the Baylor Law School and a tenure as Associate Justice of the Texas Supreme Court followed before McCall moved to executive vice president and then, in 1961, president of Baylor.

McCall is a strong advocate of private education. He is the president of three statewide independent collegiate associations and has served as chief officer of the Association of Southern Baptist Schools.

McCall, who married the former Mary Russell in 1970, has also served as the president of the Baptist General Convention of Texas (1964-65), and, in addition to his other achievements, has been president of the Waco School board, chairman of Waco City Planning and president of the Scottish Rite of Texas.

In the 16 years that McCall has headed Baylor's operations, the school has grown to national fame, both academically and athletically. Students literally journey from the far corners of the world to attend Baylor. In 1974, the school garnered the first Southwest Conference football championship in 50 years.

Honors in Who's Who in America, in the Southwest, in Education Today and in Texas Today have also been awarded McCall, adding further recognition to him and Baylor University.

# Dr. Herbert Reynolds

## Executive Vice President

Baylor's chief operating officer is the distinguished Dr. Herbert H. Reynolds. After a long and honorable career as an educator, scientific researcher and officer in the Air Force, he joined the Baylor administration in April of 1969 as executive vice president. Reynolds moved to his present position in 1978.

Born in Frankston, Tex., in 1930, Reynolds wasted little time launching himself into a lifetime of achievement. By age 22, he was graduated from Trinity University with a B.S. degree, had completed four years of active duty in the Air Force, was married and had a son.

In the years that followed, he was an advisor to the Japanese government, earned an M.S. in psychology and was an assistant professor-lecturer at Baylor (1956-59). He then became a Teaching Fellow while earning the first Ph.D. in psychology at Baylor in 1961.

Reynolds served as chief of psychology, director of research and deputy commander of the Aeromedical Laboratory at Holloman Air Force Base in Alamogordo, N.M. from 1961 to 1968. In early 1968, he was appointed as the first commander-director of the Air Force Human Resources lab in San Antonio. During his research career, Reynolds published some 50 articles and technical reports.

After retiring from the Air Force in December 1968, Reynolds was invited to return to Baylor as senior vice president and tenured professor of psychology. Since that time, he has been responsible for both academic and financial matters.

Along with honorary memberships in several Greek letter organizations, Reynolds is a member of Who's Who in America, World's Who's Who in Science, and the American Psychological Association.

Reynolds is also actively involved in civic affairs., serving as director of the Waco Chamber and two local financial organizations.

Reynolds is married to the former Joy Myrta Copeland of Livingston, Tex. They have two married sons, Kevin and Kent, and a daughter, Rhonda, who is a Baylor sophomore.

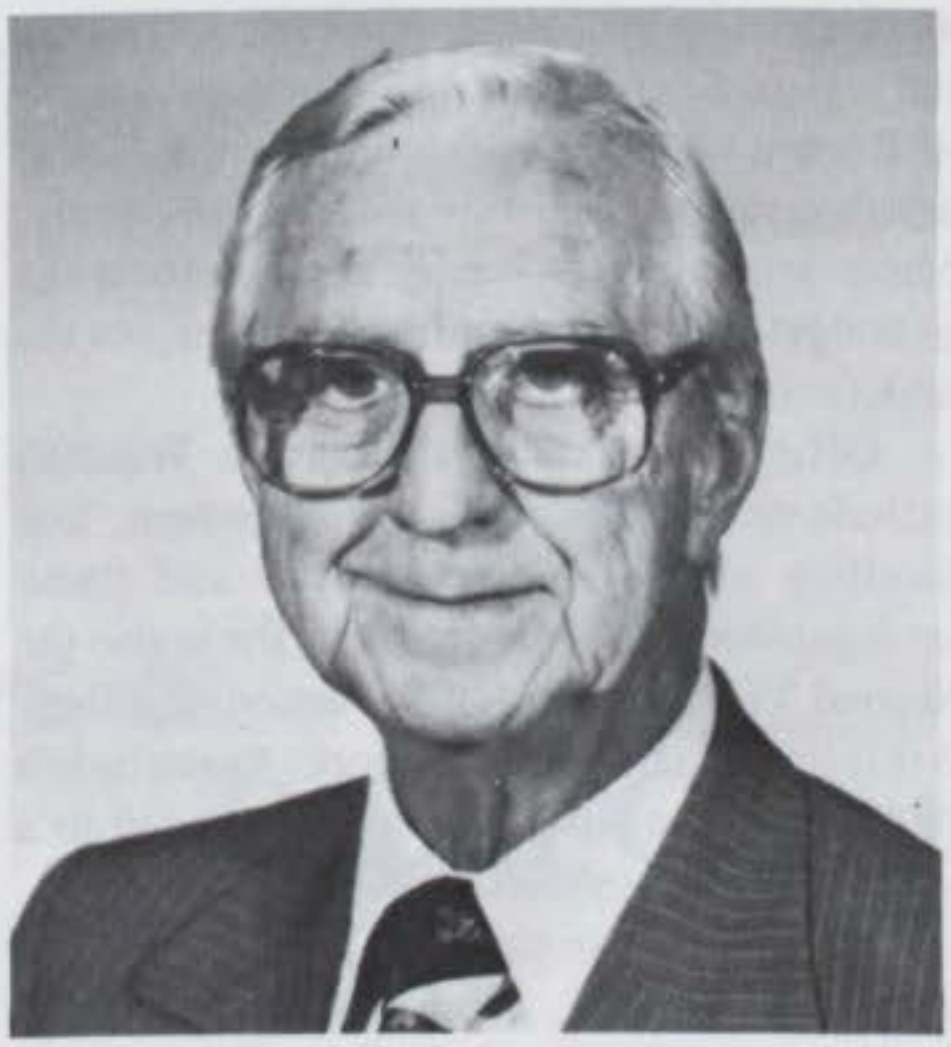
# M. A. "Catfish" Smith

## Promotions Director

Baylor promotions director and executive director of the Baylor Bear Club is the colorful M. A. (Catfish) Smith.

A member of the Texas Sports Hall of Fame, the Panhandle Sports Hall of Fame and the East Texas State Sports Hall of Fame, Catfish is considered a champion throughout the state. He was a champ in his own right as a football and basketball player at East Texas State in the early '30s, but he is best known for making champions out of others at the high school and collegiate levels.

Two years out of East Texas, Smith led the youngsters of the Carey High School basketball team to the semi-finals of the state tournament. His second year at the little west Texas town, Carey won the state title.



The '40s saw Catfish as the head football and basketball coach at Mount Vernon High School in east Texas. During his seven years there, he collected a 60-5-1 football record and a 163-17 basketball mark. He also became the only coach in Texas prep history to produce undefeated teams in both football and basketball in the same year, 1947-48. Mount Vernon received six straight district titles in football, and five regional and one state cage championship under the coaching of Catfish.

An East Texas native, Smith returned to his alma mater in 1951 to coach football. He lost two games early in his first season to Abilene Christian and North Texas State and then he proceeded to mark up 29 straight victories. His three year record at East Texas State was 30-2-1 including three Lone Star Conference championships and two Tangerine Bowl bids.

In 1959, Catfish came to Baylor University as freshman football coach and then became promotions director in '68.

Smith is a very active civic member in the community having served as a city councilman from 1973-77 and as the mayor of Waco in 1976. He has participated on the Central Texas Zoo Board, the Executive Board of CETA, the Heart of Texas Council of Governments, and is presently a member of the Waco Airport Board.

Catfish has two sons: Ronnie and Jimmy, both graduates of Baylor.

## CAPSULE OUTLOOK

If the Lamar University Cardinals can adequately fill one pair of shoes—those belonging to quarterback—Larry Haynes—they could possibly be better than the team that surprised the Southland Conference last season with a 6-3-2 record. That was particularly impressive because they had only won seven games in the four seasons prior to Coach Larry Kennan's arrival last year.

First in line to fill Haynes' shoes are Boyd Sutherland, a sophomore from Beaverton, Ore., and Jerry Deller, a sophomore transfer from San Antonio. Making the job easier for whoever wins the quarterback job will be a herd of talented receivers. The Cards had the top five receivers in the SLC in 1979, and the Nos. 2, 3, 4 and 5 of those return. Heading the list is all-league performer Alfred Mask.

Defensively, the Cardinals return four of their front five but linebacking is the big question as three of the top four graduated. Also, the secondary will be strong with the return of corner backs Johnny Ray Smith and Darryl Smith.

## CAPSULE OUTLOOK

Head coach Bill Yung will be making his first trip back to Waco as a head coach after leaving Baylor in 1977 to assume the head coaching position at West Texas State. The Buffaloes have made steady progress since the arrival of Yung and last year won the Missouri Valley Conference with a perfect 5-0 record.

Fifteen starters return from that team including three honorable mention all-Americans. They are offensive guard Kevin Dennis, defensive tackle Elvin Keller and defensive back John Holt.

For the Buffaloes to defend their MVC title, they will have to get through a rugged non-Conference schedule which features always-tough McNeese State, plus Division I teams Oklahoma State, Baylor and New Mexico State in addition to Southwest Texas State. Their five remaining games are with MVC foes.

## CAPSULE OUTLOOK

Defense will be the key word for Texas Tech this fall as the Red Raiders try to rebound from a 3-6-2 season.

Six starters return on both offense and defense, but it is on defense where things look most promising. Included among the defensive returners is all-America candidate Ted Watts at free safety and massive noseguard Gabriel Rivera.

Quarterback Ron Reeves leads the offensive returners, but there are several holes to be filled on offense, including finding a replacement for James Hadnot, one of the top runners in SWC history.

The Raiders get an early scheduling break with their first four games to be played at home. If a young offense can gain experience and confidence in that early stretch, then Tech could return to its more accustomed spot among the league's leaders.

## CAPSULE OUTLOOK

Bill Yoeman, who begins his 19th season as University of Houston head coach, went hunting this past spring in search of standouts to head his graduation-racked defense which ranked second in the Southwest Conference and 11th nationally.

The Cougars will boast a pair of defensive aces nobody else in the country has—270-pound senior tackles Hosea Taylor and Leonard Mitchell.

Grady Turner and Steve Bradham will head the Houston linebacking corps and Donnie Love returns in the secondary.

Terry Elston, Terald Clark and Eric Herring will all be back for another exciting year at the Cougar skill positions and center Randy Swisher is a possible All-SWC candidate.

## CAPSULE OUTLOOK

SMU could possibly have its best team in more than a decade in 1980, but Coach Ron Meyer hopes the injury bug doesn't cripple his team like it did last season. Twenty seven players, who were either starting or were slated to start during the season, were injured and missed at least one game. Quarterback Mike Ford, the nation's total offense leader as a sophomore, sustained a knee injury in the second game of the year and missed the season. Many backup people were forced to play last season because of injuries and because of that, SMU will be a much deeper team than in the previous four years under Meyer. The Ponies return seven of 11 starters on offense and nine of 11 on defense. Also returning with Ford is strong safety Blane Smith who was injured in the first game of the season and missed the remainder of the year. With the return of both of them, and the experience gained last year because of injuries, SMU should be a much more talented team in 1980.

## CAPSULE OUTLOOK

Coach Tim Wilson and the Texas Aggies should field a representative team in 1980, one that may be young and untested but also one that will have some talent.

Replacing stars like defensive end Jacob Green, defensive tackle James Zachery and tailback Curtis Dickey won't be easy but five offensive and eight defensive starters return to give the Aggies a good nucleus from which to build.

Quarterback Mike Mosley, an All-Conference-type leader, fullback David Hill, tackle Zach Guthrie, guard Bryan Dausin and wide receiver David Scott return to their offensive position. But A&M's strength should be on defense where the eight starters return for more action.

## CAPSULE OUTLOOK

After climbing from ninth to eighth place in the Southwest Conference standings last year, the TCU Horned Frogs are ready to be more than just competitive. TCU is ready to win, according to the players and coaches.

The Frogs posted a 2-8-1 record last year, but TCU's defense kept the Frogs in virtually every game. It was TCU's best defense overall in more than a decade.

Eight offensive starters return off last year's team, including the entire line. Also, Steve Stamp and Kevin Haney will be back at quarterback and it's anybody's guess who the starter will be. And look for sophomore Reuben Jones to also challenge for the starting QB position.

Defensively, the linebacking crew is what makes Coach F. A. Dry smile most. With senior Kelvin Newton and Darrell Patterson (last year's Defensive Newcomer of the Year) manning the inside spots plus Dry's son Mike at the outside slot, the Frogs will be tough to run on.

## CAPSULE OUTLOOK

Coach Jack Elway and his staff had a fruitful recruiting year in 1980, with the Spartans signing 27 players including 24 of which from the junior college ranks.

This talent, combined with the return of 53 lettermen should keep the Spartans competitive through the upcoming season.

As for the returnees, the cast is headed by all-conference receiver Mark Nichols and offensive linemen Rick Rasnick, Max Hooper and Tracy Franz.

Linebacker John Kulusich leads the Spartan defense along with safety Gary Walker.

## CAPSULE OUTLOOK

Although Arkansas returns 15 starters from last year's Southwest Conference co-champions, coach Lou Holtz figures his team has more problems going into the fall than it did a year ago. Question marks at quarterback and in the offensive line haunt Holtz.

Defensive losses from last year are minimal but the Hogs ranked seventh in the SWC in rushing defense. Thus, even with 10 starters returning on defense, Arkansas is far from settled.

Tom Jones, who passed for 358 yards last year, hitting 57 percent of his tosses, opened the spring drills at the number one quarterback spot. Keith Houfek, Alfred Mohammed and Steve Korte will be looked upon to provide leadership in the offensive line.

Arkansas' kicking game should be an asset with the return of punter Bruce Lahay and placekicker Steve Cox.

## CAPSULE OUTLOOK

The Owls will have a new look offensively as they try to regroup after a 1979 season which saw them go 1-10 and 0-9 in the league. Head coach Ray Alborn brought in a new offensive coordinator this spring, Les Koenning, and the passing attack was replaced with the veer. Three year starting quarterback, Randy Hertel, will face strong competition as Alborn takes a good look at all candidates to find the best man to direct the Owls. On the offensive line, the situation appears to be in good hands as center Keith Kveton and tight end Robert Hubble return. Both earned second team all-league honors last year and should be pre-season all-SWC choices this year.

The entire team is loaded with experience. Sixteen veterans enter their senior season with three letters, all having seen duty in virtually every game since entering as freshmen in 1977. The list includes running backs Calvin Fance, and Frank Wilsin, defensive backs David Darr, Mike Downs and Rickey Thomas, and defensive ends Dennis Barry and Will Rub.

Overall strengths should be at running back and in the secondary. Lack of depth in the offensive line could hurt.

## CAPSULE OUTLOOK

In a nutshell, the Longhorns will have an improved offense but a weaker defense. Coach Fred Akers begins his fourth year with the 'Horns facing the task of rebuilding a defense that has only three returning starters. Most critical position facing the UT coaching staff is a defensive end where the top four were lost through graduation. Also of concern is the secondary where three of the four starters graduated. Only Vance Bedford returns from last year's secondary which featured three all-SWC selections.

Offensively, the Longhorns get back eight starters and most welcome will be the return of running backs A. J. Jones and Rodney Tate, both of whom missed playing time a year with injuries. Texas has a pair of quality quarterbacks in Donnie Little, a junior, and Rick McIvor, a sophomore, who divided time a year ago. The offensive line will be solid anchored by veterans Terry Tausch and Les Studdard plus tight end Lawrence Sampleton and split end Les Koenning.

Despite what the score might read, Baylor's season-opening 20-7 win over Lamar University was an extremely hard-fought game. In the end, the game was won by the Baylor defense which showed to all it would be a force to be reckoned with later in the year.

But all was not rosy for the Bear defenders in the game. The Cardinals took an early lead in the contest when freshman Floyd Dorsey scooted 80 yards on his first carry to put Lamar ahead,7-0. That run, however, was accomplished against the entire second-unit defense of Baylor.

The Bears came back with 14 second quarter points which put them ahead to stay. The first score came on a five-yard run by another freshman, Mike Lively. That capped a 12-play, 92-yard drive. The second TD came minutes later when QB Mickey Elam found tight end Raymond Cockrell all alone for a 45-yard touchdown reception.

In the second half, Baylor stopped numerous Lamar drives and late in the game scored an insurance touchdown when Dennis Gentry scampered 27 yards. Baylor's Robert Bledsoe missed the extra point which would have been his 54th consecutive PAT. The school record is 57 straight. The win was only the Bear's second opening game win in the last 13 years.

By defeating the Aggies of Texas A&M, Baylor ran its early season mark to 2-0 which was the first time since 1965 Baylor had put together back-to-back season opening wins. It was also the first time since '65 that Baylor had defeated A&M two consecutive years (they won a year ago, 24-6).

Baylor did all of its damage in the second quarter. Walter Abercrombie went untouched for a 19-yard run early in the period which ended a 73-yard drive. That seemed to break the ice for the Bears and from then until intermission, they were unstoppable on offense and *very* stoppable on defense.

The Aggies had to punt three plays after the Bear TD and Howard Fields returned it 53 yards to the Baylor 15-yard line. Five plays later, Mickey Elam bursted over from the one-yard line and the Bruins were up 14-0. The Aggies then had to punt on their next possession and the Bears got the ball back on their own 32-yard line with 1:57 left in the half. They drove to the Aggies' 19-yard line with four seconds left and then Robert Bledsoe kicked a 36-yard field goal to put Baylor up 17-0 at the half.

The second half was a defensive struggle all the way with A&M scoring its only touchdown on their first possession of the third quarter. A&M turnovers and the tough Baylor defense led to a shutout the rest of the way. Singletary was Sports Illustrated's National Defensive Player of the week.

Baylor's unbeaten season came to a sudden halt as it faced the Number One ranked Crimson Tide of Alabama. The final score was 45-0 however, 'Bama scored its final 28 points in the fourth quarter after Coach Grant Teaff had put in Baylor's second-team defense.

Turnovers led to the downfall of the Bears as they committed no less than eight of them. Two interceptions each by Mickey Elam, Mike Brannan and Steve Smith paved the way for the 'Bama onslaught. The other two turnovers were two fumbles, not to mention a blocked punt which opened up the scoring gates for Alabama.

The highlight for Baylor was the play of the defense. As a unit, it drew praise after praise from Coach Paul "Bear" Bryant and his team. And in particular, Bryant said of all-American linebacker Mike Singletary, "He's a lot like Lee Roy Jordan in that if the ball carrier stayed in bounds, old Lee Roy would usually get a piece of him. Singletary's like that."

Led by former Texas Tech player Mickey Elam, the Baylor Bears scored a come-from-behind 27-17 win over their rivals from West Texas. Elam, who played at Tech his freshman year, ran for 109 yards and hit on four of six passes for 55 more yards and a touchdown.

It was the first Baylor win over Tech since 1974 and it marked the first time Baylor had won its first two Southwest Conference games since 1963.

Texas Tech took an early 10-0 lead in the first quarter but by half time Baylor owned a commanding 20-10 lead. The play of the game came with Tech leading 10-3 when Max McGeary, Baylor's kick and punt blocking specialist, broke through and blocked a punt at the Tech 10. It bounced into the end zone where freshman Vic Vines recovered for the touchdown.

That play seemed to shake the Tech punter who got off only a 15-yard punt the next time giving Baylor excellent field position on the Tech 31-yard line. That set up a Robert Bledsoe field goal and the Bears were now on top 13-10. The Bears then broke the game wide open when they took the ball with only 1:09 showing on the clock and on their own 16. It took only six plays and 50 seconds later before Elam found Dennis Gentry open for a 22-yard TD strike.

Baylor put the game out of reach early in the third quarter when Gentry ran 9 yards which put the Bears on top, 27-10. Tech scored its last TD late in the game. Andrew Melontree was named SWC player of the week for his efforts which produced four quarterback sacks, a fumble recovery and two passes broken up.

The game was billed as a defensive stand-off between two of the better D's in the league. And that's exactly what transpired as Houston used two fourth-quarter field goals to squeak out a 13-10 win over Baylor.

Most of Baylor's offensive production came on one play: a 78-yard pass from Mickey Elam to Walter Abercrombie. That occurred early in the second quarter, right after Houston had taken a 7-3 lead on a 17-yard pass play. Baylor's three early points came on a 40-yard Robert Bledsoe field goal.

The third quarter produced no points, in fact Baylor could not even get a first down during the period. Meanwhile, Houston could do no better as Mike 'Singletary led an inspired Baylor defense. However, the Bears finally relinquished two short field goals in the fourth quarter which provided the Cougars with their margin of victory.

For the game, the Bears could muster only five total first downs, two in the second half. Houston linebacker David Hodge made 15 unassisted tackles, sacked the quarterback twice and intercepted one pass to lead the Cougar defense.

Without a doubt, the most exciting game Bears played the entire season. After falling behind 14-0, Baylor had its back to the wall before two guys by the name of Mike Brannan and Max McGeary took over. In the end, Baylor won it on a 21-yard field goal by Robert Bledsoe with eight seconds left in the game but it was the events which transpired with Baylor down two touchdowns which tell the real story.

Baylor fell behind 14-0 in the first half on a 12-yard TD pass and a 14-yard run by SMU frosh Eric Dickerson. Then, on BU's next possession, starting quarterback Mickey Elam went down with a severe hip pointer and thus, Mike Brannan entered the game. He promptly guided the sluggish Bear offense to a touchdown right before the intermission which closed the gap to 14-7.

In the second half, Baylor scored on its first drive, marching 80 yards. The big play was a 57-yard pass from Brannan to Gordon Marshall. Holding the Mustangs on their very next possession, Baylor took over on its own 10-yard line and this time drove the length of the field with Brannan accouting for 39 of the yards on one running play. That put the Bears ahead for the first time however that was short-lived as SMU ran back the ensuing kickoff which tied the game again at 21 each.

With the game tied, both teams traded turnovers, then came the big plays of Max McGeary. He blocked a 30-yard field goal with 4:28 left and then with 1:42 left he knocked down a 44-yard attempt. After that, Baylor moved from its own 34 down to the SMU 4 when Bledsoe did his thing.

For the game, McGeary was named defensive player of the week in the Southwest Conference while Brannan ended with 120 yards rushing, the second most in school history.

In an afternoon where breaking records turned out to be as easy as gaining yards and scoring points, the Baylor Bears travelled to West Point and scored an impressive 55-0 win over the Cadets of Army.

It all started with a 51-yard touchdown pass from Mike Brannan to Robert Mitchell in the first quarter and it ended with Steve Smith crossing the goal line from five yards out late in the game. Sandwiched in between, the Bears got touchdown runs of six and five yards from Walter Abercrombie; an 83-yard TD pass from Mickey Elam to Mike Lively; field goals of 34 and 22 yards from Robert Bledsoe; a 20-yard scoring run from Dennis Gentry and a 30-yard touchdown pass from Smith to Bo Taylor.

The Bears ended with 612 yards in total offense (331 rushing and 281 passing). It was the most one-sided victory over a Baylor opponent since 1929 when the Bears killed Arkansas, 60-13. That's 501 games ago. Also, it was the first shutout scored by the Baylor defense in 84 games, since the Bears held Missouri scoreless (27-0) in 1972. Speaking of defense, the Bears were playing at their usual high level of productiveness. They recovered three Army fumbles and intercepted five passes, all which led to the shutout.

The win moved the Bears record to 5-2, the first time they had been at that stage since the 1963 season.

Highlighted by Howard Fields' 95-yard return of an intercepted pass, the Baylor Bears captured a hard-fought 16-3 win over the TCU Horned Frogs. It turned out to be the only touchdown scored on the day which was dominated by two unyielding defenses and a gusting 22 m.p.h. wind.

Baylor took an early 3-0 lead in the first quarter when Robert Bledsoe made the first of three field goals he would kick during the day. For Bledsoe, it moved him on top of the career field goal list with 21 and it also established him as the highest kicker in school history with 124 points.

The Frogs tied it two possessions later with a 38-yarder and then apperaed to be heading for the go-ahead touchdown as they had moved to the Baylor 12-yard line. It was then that Fields stepped in front of a pass on the sideline and took off untouched for the Baylor endzone. Baylor made it 13-3 right before halftime when Bledsoe tacked on a 34-yarder after a TCU fake punt failed.

Defense was the name of the game in the second half as the only score came late in the game when Bledsoe connected for his third field goal of the game.

Baylor's win upped its season mark to 6-2 which is the best since the 1960 team went to the Gator Bowl. The victory assurred the Bears of their first winning season since 1976 and only their third since 1963.

Unfortunately, for the Baylor Bears, college football games consist of *two* thirty minute halves instead of one. For they totally dominated the Arkansas Razorbacks in the first half of play, but committed several costly turnovers in the second half which enabled the Hogs to score a come-from-behind 29-20 win.

The Bears started in grand fashion. They intercepted two Arkansas passes and one led to a 61-yard scoring drive. Walter Abercrombie, who was to rush for 131 yards on the day, scored from three yards out to give the Bears an early lead. Abercrombie scored the next TD also when he went up and over from the two-yard line and the Bears seemed ready to route the highly-touted Hogs.

But then a series of misfortunes struck the Bears. A chip-shot field goal was missed, a sure-fire touchdown pass was dropped in the end zone and one could feel the tide turning.

Baylor went ahead 17-0 early in the third quarter when Robert Bledsoe booted a 27-yard field goal, but from then on it was mostly all Arkansas. The Hogs wiped out the 17-point lead with a long touchdown pass, a field goal and then a recovered fumble in the end zone. A two-point conversion tied the game with 13:54 left in the fourth quarter.

On Arkansas' next possession, it drove 31 yards to the Baylor 24 and had to settle for a 40-yard field goal which put them ahead for the first time all day. Baylor answered right back with a courageous drive of its own which culminated in a pressure-packed 35-yard field goal by Bledsoe which again tied the game. Arkansas won the game with 3:22 to go on a 60-yard pass play from Kevin Scanlon to Robert Farrell. It later tacked on a safety for insurance.

Thus, with a plethora of bowl representatives watching, Baylor lost one it should have had.

The Baylor Bears, with visions of a bowl berth in their minds, went out and methodically handled the Rice Owls, 45-14 to wrap up an unbeaten season at home. It was the first time the Bruins had gone undefeated at Baylor Stadium for the entire season since 1949. And sure enough, the Peach Bowl came through with an invitation to play in its classic on December 31.

Baylor amassed 432 yards rushing for the game which was a new school record. Heading the attack was sophomore Walter Abercrombie who gained 134 yards for the day. It was his third straight game in which he surpassed the 100-yard mark. Quarterback Mike Brannan followed with 101 yards.

Baylor needed only 51 seconds to score on a 38-yard touchdown pass from Brannan to tight end Raymond Cockrell. Brannan followed with an 11-yard scoring run and then Abercrombie added an 18-yard score with 9:17 left in the half. Fullback Mike Lively made it 28-0 at halftime with a one-yard run.

The game was fairly close in the second half as both teams traded two TD's apiece with Baylor adding a 48-yard field goal by Robert Bledsoe, the longest of his career.

This was a game Baylor would just as soon forget. Despite what the final score reads, Texas totally dominated the game, especially its defense. Baylor could muster only two first downs for the entire game and its usually potent offense netted only 87 yards in total offense.

Without knowing it, Texas scored all the points it would need on the ninth play of the game. Freshman QB Rick McIvor hit a streaking Johnny (Lam) Jones with a 54-yard touchdown pass. After that, Baylor's defense stiffened as it surrendered only two field goals in the third quarter. But the damage was done. The Baylor offense could get no first downs in the first half and that was an indication of things to come in second half.

Baylor did make one scoring threat, that coming late in the game when Mike Brannan hit Bo Taylor for a 29-yard gain to the Texas 28-yard line. However, that threat was soon removed when Brannan was intercepted two plays later.

Baylor wound up its Cinderella season with a stunning, 24-18 upset over Clemson in the 12th annual Peach Bowl. The Bears had entered the game a marked underdog to coach Danny Ford's Tigers and trailed, 7-0 after the first quarter.

The Clemson lead could have been two touchdowns save for some sterling defensive plays by end Andrew Melontree. Starting the second quarter Mike Brannan, BU's nifty freshman quarterback, threw a three yard TD pass to wingback Bo Taylor and when placekicker Robert Bledsoe added the extra point the score was tied.

Baylor quickly came roaring back after a fine defensive stand to move into scoring range. Once again Brannan, who was to be named the Most Valuable Offensive Player in the game, connected on a TD pass, this time 24 yards to Radar Holt. Baylor was to never trail again and added fuel to the flame with ten third quarter points building a 24-10 lead.

Clemson put a thrill in the sellout crowd at Atlanta's Fulton County Stadium scoring a late fourth quarter touchdown and converting the two point play to cut the lead. But as was the case throughout the game the BU defense came to the rescue. This time it was strong side linebacker Doak Field's turn as he intercepted an errant Clemson pass with 19 seconds left in the game.

In addition to the honor for Brannan, who was injured and later had knee surgery, defensive player of the game laurels went to Melontree in a close vote over Doak Field.
